A Better Way to Pay for College

A student loan solution with **YOUR** best interest in mind.

College is a big investment, which is why it's important to know your options, plan ahead, and choose wisely to pay for it. Most families do not have enough college savings to pay for four years of tuition, room, board, books, and other expenses. Members Trust can help you bridge the funding gap!

Our private loan solutions are designed to fill the gaps AFTER all lower-cost sources of aid (including scholarships, grants, and Federal Direct Subsidized and Unsubsidized loans) have been exhausted. And since these loans are being offered through your credit union, you know you're getting a great deal from a not-for-profit lender you can trust.

Congratulations Brenda Gaines

After 27 years of service to members with a smile, Brenda Gaines will retire on May 31, 2023.

Before Members Trust, Brenda worked at HL&P for 16 years but joined the Credit Union team on March 18, 1996, as a Loan Processor. She eventually became our Credit Card Coordinator and has helped members in a variety of ways including processing loans and transactions and guiding them through all their membership needs.

According to Brenda, "My best memories of MTFCU are all the community volunteering events, attending the Gala, Christmas parties, Annual Meetings, and

working every day with my favorite people."

Brenda goes on to say, "I have enjoyed working with my wonderful co-workers. MTFCU has made me feel like part of the community but more importantly a true family. I will cherish my time and memories here."

When she retires, Brenda looks forward to traveling and spending time with her grandkids. And we hope she will stop by the credit union when she has a free moment!

Brenda has served our members diligently during her time at Members Trust. Over the years, I have had many comments from members expressing their gratitude for the way that Brenda provided financial services to them. She will be missed by our team and our members, and we wish her a very happy retirement!
